& Dearne Valley Trust

WELCOME to Manvers

Congratulations on your choice in moving to the Manvers Lake area. As our neighbours we hope you will take advantage of our facilities and everything that we can offer.

Manvers Lake and surrounding parkland is privately owned and is managed by The Manvers Lake and Dearne Valley Trust Ltd. We are a not-for-profit limited liability charity, registered with the Charity Commission No: 1150159. We operate via 3 linked not for profit companies, these companies send any profits to the charity for the furtherance of our charitable work.:

Club: Has the sole use of all sporting and associated lake and parkland activities.

Trading: Café, lake and parkland maintenance, some commercial catering and daytime lake activities including educational and corporate team building days.

Events: Annual, one off events. Music and larger events.

Though Manvers Lake and Parkland is privately owned it is open to the public. There are only two public footpaths. The TPT (Trans Pennine Trail) near the river and the path from the Blue Bridge to Old Moor traffic island. All other paths, our car parks and access road are 'Permissive', which means we can close them for example for events or maintenance.

The Club, Manvers Waterfront Boat Club has been on site since 2008, and has built itself up till it now has 2,500 members who make 100,000 visits a year. If you wish to partake in any club events please join the club. It is open to all and what we do is on the club website.
